Are you concerned about others having access to valuable or confidential items?

TAMPER EVIDENT TAPE

Keep your valuable items safe from fraud, theft and pilferage with SKDirect!

SKDirect Tamper Evident Security Tape is used for carton sealing in case of valuable or confidential goods in storage or transit. Peeling the tape reveals a clear and unmistakable void message, and the tape cannot be stuck back down without obvious evidence of tampering.

- Standard roll size 48mm x 50m
- Clear warning message upon removal
- Quick and easy application in standard handheld dispenser
- Available from UK stock

For added security and branding we can offer the tape with several bespoke options:

- Surface printing in one or more colours
- Your own void message
- Perforations across every 150mm or 300mm
- Sequential numbering
- Roll width from 25mm
- Roll length up to 500m
- Serrated edge

TAMPER EVIDENT LABELS

We offer a range of tamper evident materials suitable for die cutting and printing, or finished labels in any shape or size, various colours and bespoke surface printing.

The purpose is unanimous, to deter fraud and theft and provide evidence of unlawful entry. The void message appears at any attempt to peel the label.

- Small and large runs, plain or printed labels
- Low setup cost for bespoke labels
- Single or multi-colour printing, thermal transfer, flexo, hot-foil
- Sequential numbering, Barcodes and QR codes
- Any size or shape
- Retention receipt for sequential numbers
- Overlaminating for security and finish
